Memorial Banner

Displayed during visitation, services and especially effective during memorial services. A favorite photo of the deceased is displayed from your choice of many themes. Provide text or select from the resource catalogue.

Memorial Portrait

Artist's enhanced print from a provided photo. Displayed on an easel.

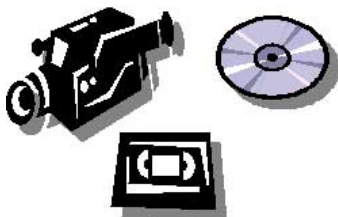

Memorial Video Presentation

A DVD or VHS tape five to ten minutes in duration honoring the life of the deceased by recalling favorite memories. Twenty-five to thirty-five, family supplied photos are set to music and played during visitation and can be incorporated into the ceremony.

Video Taping

Professional videotaping of funeral, memorial or cemetery services (up to two hours). Includes cameraman, taping, editing, graphics and one DVD or VHS tape. For a permanent remembrance or loved ones who could not be present for services.

Personalization Options

Service Enhancements

Dove Release

Coordinated release of either one sole dove or a number of doves, can be done at the conclusion of a service or at the graveside.

Butterfly Release

Coordinated release of full size butterflies, can be done at the conclusion of a service or at the graveside.

Other Musicians

Organist, Soloist, Harpist, Trumpeter or Bugler can make your ceremony one of a kind. In lieu of live musicians, we can play any Compact Disc or Cassette Tape through our state of

Bagpiper

Personalization Options

Customized Traditional Merchandise

Printed Materials

Service Booklets, Register Books, Holy Cards and Memorial Folders can be personalized by adding a photo of the deceased or special verse, poetry or favorite scripture.

Casket Corners

Select caskets have interchangeable corners, allowing a degree of personalization. Corners can be removed and kept as a family heirloom.

Laser Engraved Caskets

The cap panel of the casket can be laser engraved with a selected image and name and dates of deceased.

Personalized Burial Vault

Select vaults can be personalized with various themes, occupation, or religious symbols. Examples available upon request.

Keepsake Merchandise

Life Gems®

Beautiful, real diamonds made from carbon derived from your loved one's cremated remains. The enduring beauty of diamonds will make this remembrance a treasured family heirloom for many years to come.

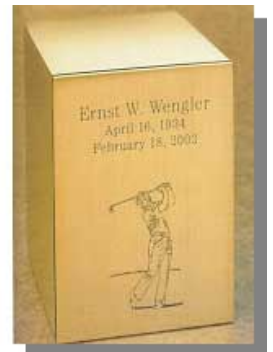

Thumbies

Fingerprint keepsakes in several forms including necklaces, earrings, tie tacks, cufflinks, key-chains and more. Made in gold or sterling silver from fingerprints in adults or hand or footprints in infants.

Cremation Options

Laser Engraved Urns

Either a bronze or wood urn can be laser engraved with a selected image, as well as name and dates of your loved one.

Keepsake Jewelry

Many styles of necklaces, bracelets and pins are available to choose from.

Photo Frame Urn

We offer an assortment of urns that can accommodate a picture of your loved one.
